### 3- will receive email

### 4- verify your email

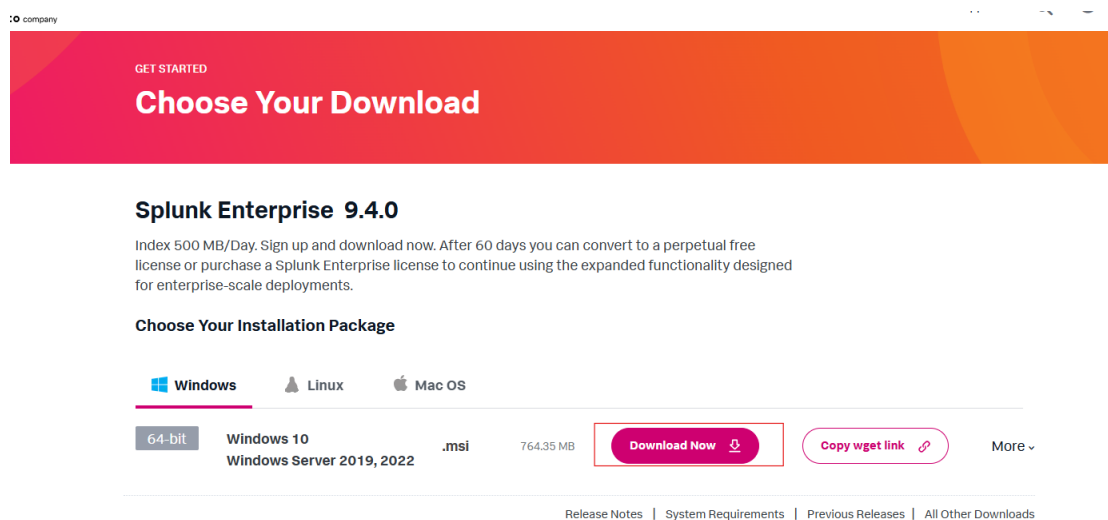

## 5- Log into your accounts

The screenshot shows the Splunk login interface. At the top left is the Splunk logo with the tagline 'a CISCO company'. The main heading is 'Log into your Splunk account'. Below this are two input fields: 'Email or Username' containing '\*\*\*@gmail.com' and 'Password' with masked characters and a toggle icon. A large pink 'Log In' button is centered below the fields. At the bottom, there are two links: 'Forgot your password or username?' and 'Need to sign up for a Splunk account?'.

## 6- Download.msi file

The screenshot displays the 'Choose Your Download' section for Splunk Enterprise 9.4.0. It features a red header with the text 'GET STARTED' and 'Choose Your Download'. Below the header, the version 'Splunk Enterprise 9.4.0' is prominently displayed, followed by a brief description of the trial license. The 'Choose Your Installation Package' section includes tabs for 'Windows', 'Linux', and 'Mac OS'. Under the 'Windows' tab, there is a table of download options:

Architecture	Operating System	File Format	Size	Action
64-bit	Windows 10 Windows Server 2019, 2022	.msi	764.35 MB	<a href="#">Download Now</a> <a href="#">Copy wget link</a>

At the bottom of the page, there are links for 'Release Notes', 'System Requirements', 'Previous Releases', and 'All Other Downloads'.

## 7- Complete installation steps by default options

## 8- log into Your account
